Re: Prolect Sign Safety System

Dear Mrs. Stearns:

We received your donation of Sign Safety Systems for our community. Springfield had a need to increase awareness of intersections not currently outfitted with traffic lights. We applied your product to our stop signs in those intersections and have experienced additional benefits other than increased reflectivity. Our residents have commented on the improved appearance of the stop signs and welcome the use in their neighborhoods.

The Township appreciates your efforts to improve safety for pedestrians, motorists and bicyclists with your new product. Thank you for the donation.

Respectfully,

Ziad Andrew Shehady
Mayor, Township of Springfield
